LASHCARRY

Meet Lashcurry (real name: Vinayak Lashkari), the 21-year-old rapper from Indore who just dominated MTV Hustle 4 and proved he's built different. From playing tabla as a kid to spitting bars that cut deep, his grind has been next level.

Starting his YouTube rap journey in 2019, Lashcurry kept it raw, tackling real issues and staying true to his craft. By 2024, he had 20K+ subscribers and a growing fanbase. But Hustle 4? That was his breakthrough. Week after week, he delivered insane lyrics, unmatched energy, and crazy versatility. With Raga as his mentor, Lashcurry kept leveling up - until he snatched the crown in Dec 2024.

He's been trending #2 globally on Spotify and dropping bangers, like Victory Anthem with Khushi (which racked up 7cr+ views). His storytelling + hard-hitting beats make him one to watch in the desi hip-hop scene.
